OUR EXCLUSIVE
TERRACED HOUSE TO BE BUILT AS A SEMI-DETACHED HOUSE

Detached house on three sides of about 120 square meters to be built on a plot of land of about 500 square meters located in Ponte all'Abate in the municipality of Pescia in the immediate vicinity of the center, and a few kilometers from the center of Pescia where all services are available including the hospital. The building will be built with anti-seismic technology and certified in class A / 4, high quality finishes are expected. The building will be arranged on two levels above ground and will consist of a living room, eat-in kitchen, bathroom with shower, covered parking space on the ground floor;

While on the first floor it will consist of two double bedrooms, bathroom and master bedroom with walk-in closet, private bathroom and terrace.

Upon request, we can organize, in our offices, appointments with the design technicians to study and customize the villa according to the needs of the future buyer.
