OUR SALES EXCLUSIVE

WE COLLABORATE WITH TECHNICIANS WHO CAN FOLLOW ALL THE RENOVATION PHASES FROM THE PROJECT TO THE COMPLETION OF ALL THE NECESSARY WORK.

Real estate complex of absolute interest located in the municipality of Altopascio in one of the most beautiful and open points in the countryside of the hamlet of Spianate just two kilometers from the motorway toll booth, completely to be renovated including the main house of approximately 400 m2 and the less noble part once used as the home of the tenant of the land and partly as cellars, warehouses etc. The property is in very poor condition and requires major intervention and is set in a very quiet context in the center of a plot of flat land of approximately 45,000 m2. On the property, observations on the plan have been presented to the Municipality relating to the possibility of an intervention that could

envisage a recovery hypothesis congenial to the current needs and demands of the market. This is one of the last objects present in this area with characteristics that allow it to satisfy various uses.

WE ARE AVAILABLE TO GIVE ANY INFORMATION REGARDING THE ABOVE.
